EDM: ACTS & FACTS

ConFact - second time on EasterCon. For all those who wrote some words we have CF114 on the table - to read them again. Others get some ideas what to put on the paper here. But be cautious, it's a type writer, not a computer :-)

Dave Lally:

Greetings to all at Satellite4. One of the many (large) Cons annually is the Eurocon (European SF Con). That for 2014 (one week after Loncon 3) is Shamrokon (shamrokon.ie). But now-that proposed for 2016 (ie for Antwerp-Belgium) is not proceeding. Anyone interested in this matter should see any member of the ESFS Board (Chair Carolina Gomez and Sec-Gareth Kavanagh are both here). Eurocon 2017 is still a bid- namely Dortmund (dortmund-in-2017.eu). Best wishes Dave Lally

Matthew (Kunkel):

Sunday morning. Sun shines again... it will be hot in here, where the fan desks are.

Ecki (Marwitz):

Last year we had no bid for EasterCon 2015. Now we have and it was chosen at once. EC 2015 will be in Heathrow, but in quite another hotel as the last one. The fans who will run the con call it Dysprosium (element #66, because it's the 66th EasterCon).

All of the sudden we heard that the EC 2016 might be in Cardiff.

Yesternight we heard all about the Internet made by cats, really funny. The 4th Vanguard (con newspaper) appeared without a number and told us the the Hugo nominations of 1939 and 2014.

Game Room besides Filk Room is not the best idea, because many filkers only sing without an instrument.

We hope for "worse weather", as it is very hot here and you cannot see the words on the screen.

Sabine Furlong:

Hello All

i am having a great time at the Eastercon in Glasgow. The beer is excellent, with 10 different kinds and some cider to boot. I even sold some of my pictures in the art show and so could go and spent some more money in the dealers room. Last night we had a great time with the sock puppet show. It was so funny I had to remind myself to breath. Well, must dash. All the best, Sabine

Misha Sumra:

TELEGRAM FROM GLASGOW

Satellite 4 launch successful. Stop. Critial Supplies (i.e Ale) prove sufficient. Stop. Dame Jocelyn huge success as GoH. Stop. There is not (repeat: NOT) any bid to host the 2016 Eastercon in Cardiff (but some people want to try. Fools!). Stop. Send more Gophers. Message Ends.

Bridget Wilkinson:

Baking hot weekend in tropical Glasgow. Good con however.

Matthew:

That was the 65th EasterCon in Glasgow - Satellite 4. Hope next time will be more fanac.

We see us in London, in Dublin, and in Heathrow next year.

This is the end of CF 123.
